Beautifully crafted clothing  
for premature and small babies

## "Sunnydays" Collection

# The Earlybirds Story

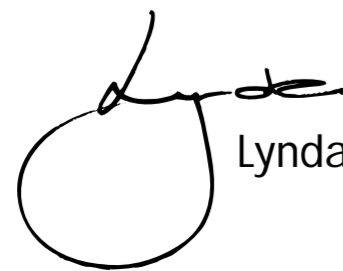

The concept for Earlybirds was created following the birth of our gorgeous son who was ten weeks premature, weighing 1.276 kgs. We experienced enormous difficulty finding clothes to fit him during his first few months.

To alleviate this problem for other parents and carers, we decided to develop a range of clothing specifically for premature and small babies.

After much research involving Paediatricians, Neonatal Intensive Care Unit (NICU) specialists and of course mothers, Earlybirds' "Sunnydays" collection was born.

As premature babies' needs are different, great care has been taken in selecting designs to ensure maximum comfort and ease of dressing. The highest quality fabrics have been sourced and tested thoroughly.

Thank you to everyone who has given time and their expertise to assist in the success of the Earlybirds' product range. We hope you enjoy the "Sunnydays" collection.

Lynda Day
